2019 FEFPA WINTER CONFERENCE
FLORIDA EDUCATIONAL FACILITIES PLANNERS’ ASSOCIATION, INC.

January 30 - February 1, 2019
Palm Coast, Florida

CALL FOR PRESENTATIONS
Topic Request Submission Deadline:
August 31, 2018
FEFPA 2019 Winter Conference
Call for Presentations

**Deadline for Submission of Topic Request Form:** Friday, August 31, 2018

The Florida Educational Facilities Planners Association (FEFPA) is accepting applications for conference presentations at the 2019 Winter Conference, January 30th through February 1st, 2019, at the Hammock Beach Resort in Palm Coast, Florida.

One of the principal goals of FEFPA is to provide its membership and the educational facilities community with educational opportunities and information on a variety of relevant issues and topics in the areas of architecture, engineering, construction, and planning. This call for presentations is at the core of that objective.

**What We Are Looking For:**
We anticipate more than 2000 individuals will attend the 2019 Winter Conference. These attendees rely on the Conference to exchange best practices, learn about industry developments from recognized leaders, and to network with their peers and service providers. To support this, we want presentations to engage the audience, spark discussion, and inspire new ideas. While not expressly required, we strongly encourage presentations that provide professional credit towards continuing education credentialing. Membership typically attends sessions to receive continuing education credits that they can use towards fulfilling their state professional licensing requirements.

**Presentation Proposals Will be Evaluated on the Following Criteria:**
- Relevance to our organizations principal goals (http://www.fefpa.org/mission.html)
- Freshness and significance of subject matter
- Potential for qualifying for Continuing Education Units (CEU's)

**Presentation Format and Guidelines:**
We offer a half-day pre-conference on Wednesday morning preceding the Wednesday afternoon, full day Thursday and Friday morning regular conference sessions. Sessions are usually 60-minutes in length, but we do allow presentations covering 120-minutes, on occasion. The format for the typical 60-minute session consists of 50 minutes of content and 10 minutes of Q & A; 120-minute sessions should consist of 100 minutes of content and 20 minutes of Q &A. Associate members are encouraged to submit and present topics. Presentations may not directly promote company products or services, though limited company affiliation and branding is allowed.

✓ The completed Speaker's Agreement, including biographical information and full presentation, is required no later than September 28, 2018

Each speaker will be responsible for his or her own travel expenses, registration, and reservations. Conference registration is complementary to all speakers on the final agenda. However, room costs for the night of OR the night prior to the scheduled speaking engagement will be covered by FEFPA only for speakers from school districts, colleges, universities, direct support organizations, and governing authorities. Please note that it is the speakers’ responsibility to make all reservations and registrations.

Audio-visual equipment – specifically limited to LCD projector to VGA input, screen, sound system, microphone will be provided in and by the conference venue.
Presenters/speakers are required to provide their own laptop, their final approved program, software, and pointer/wireless presenter/remote. Speakers are also required to provide their presentation on a USB drive to the Program Chair or his designee at the close of their presentation.

Presentations - The format consists of the 50-minute discussion/presentation and a 10-minute Q & A period immediately following to close the session. Team or individual proposals are acceptable.

Panels - Panel discussions are acceptable. These may be organized and submitted as standard moderator or as a participant/moderator format.

Hands-on Sessions - Sessions featuring real world scenarios and advanced techniques are also acceptable and should be detailed at the Presentation Topic Submission Deadline (see below).

**PRESENTATION REVIEW AND SELECTION TIMELINES/DEADLINES:**
